DEDICATION

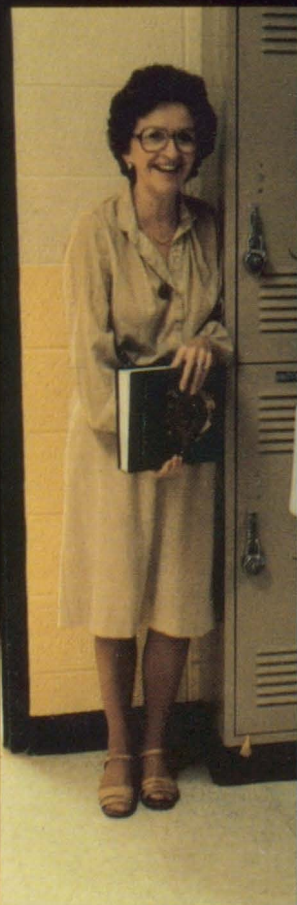

DEDICATION in honor of Mrs. Betty Cleveland

We, the students of the Peach County High School would like to dedicate the 1981-82 Retrospect to:

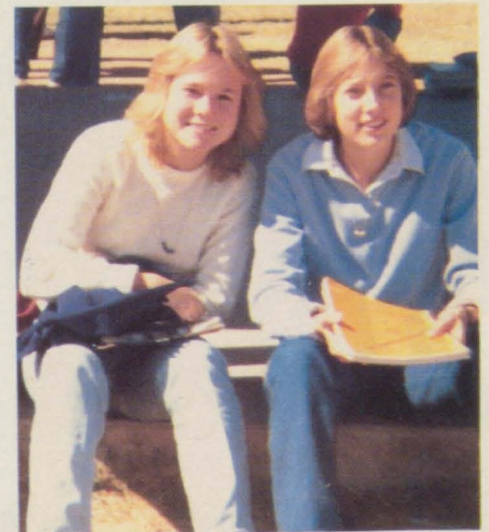

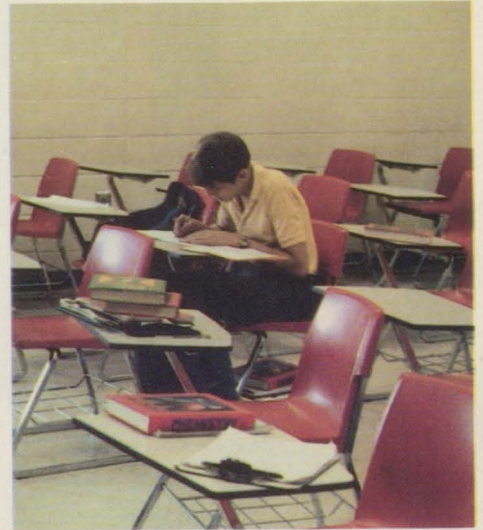

Mrs. Betty Cleveland

Mrs. Cleveland, you have done so much for us. Let's point out a few things: sponsoring Peach Pickins each year, making each student aware of the importance of a wide vocabulary, making us realize that Reading is Fundamental by having us read one book every six weeks, and present a book report in skit form. We always looked forward to your class because you were pleasant and your room has a certain warmth about it. The student body of Peach County High School wants you to know that we appreciate you.

Southern Living

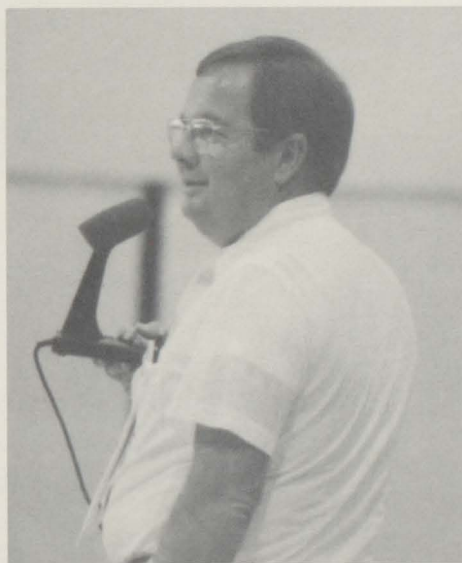

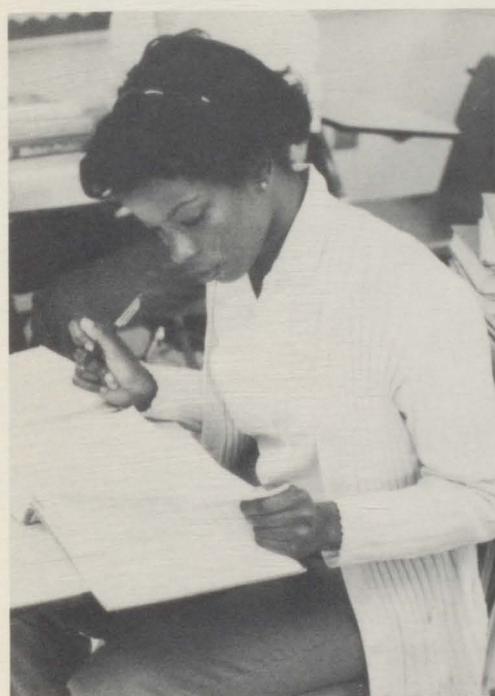

Fun filled days at Peach County High School show that Trojan S-P-I-R-I-T has Southern Style.

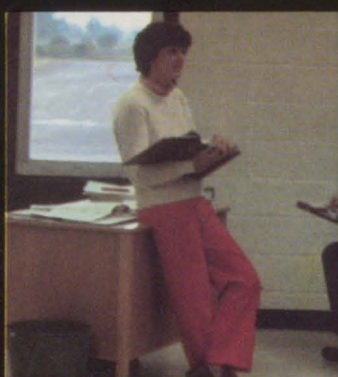

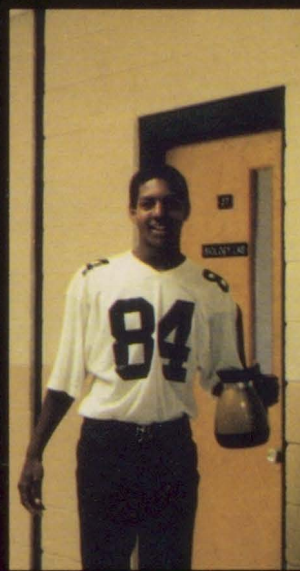

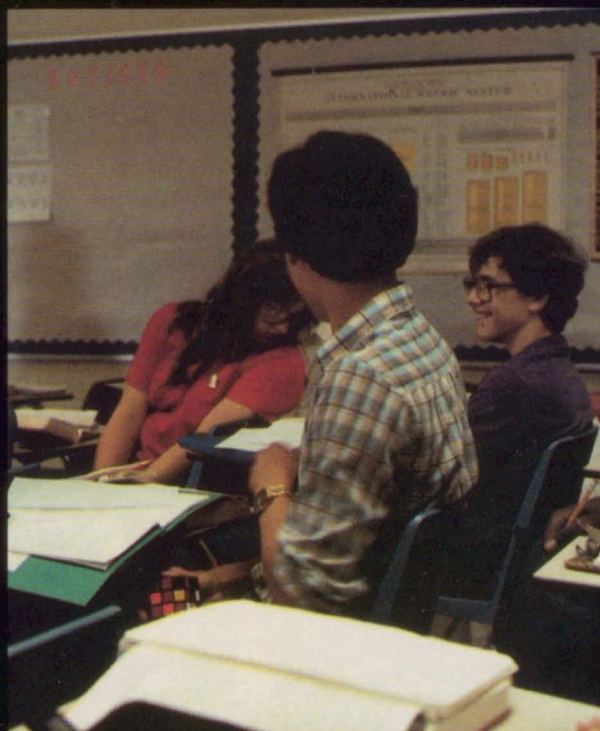

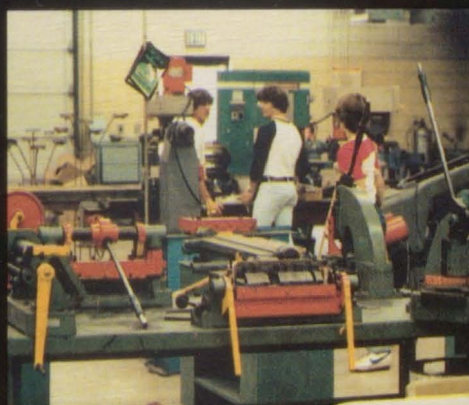

*The spirit of the South: PCHS
students show it with pride. . .
At work and play.*

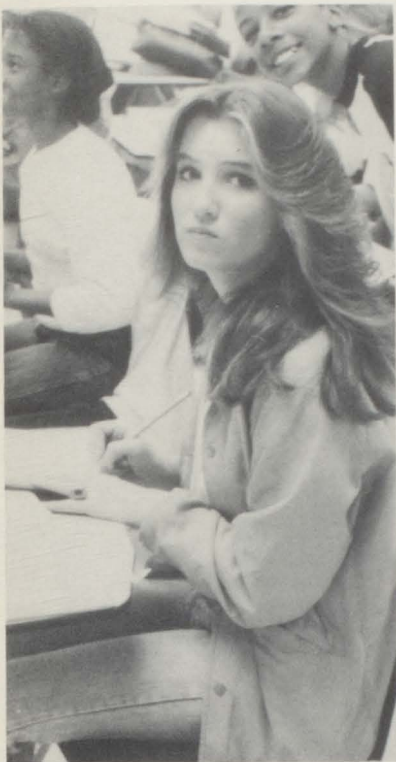

Even in the Work we do . . .

... our Southern Class still shows through!

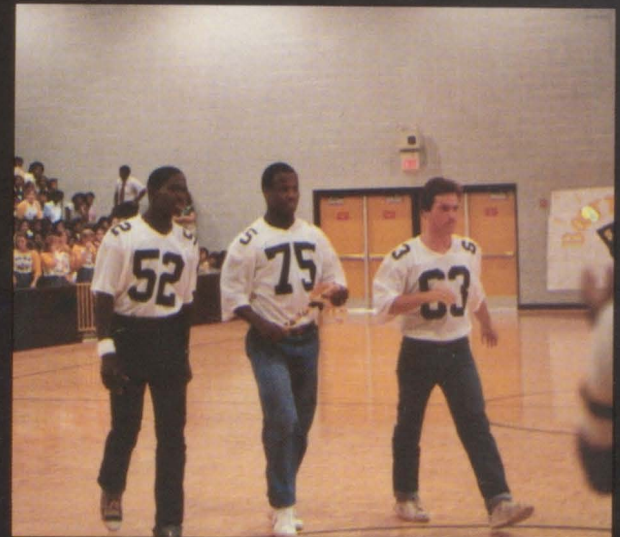

*You can't find better Southern Living
anywhere. We are the Trojans
of P.C.H.S. and nobody does it
better . . .*

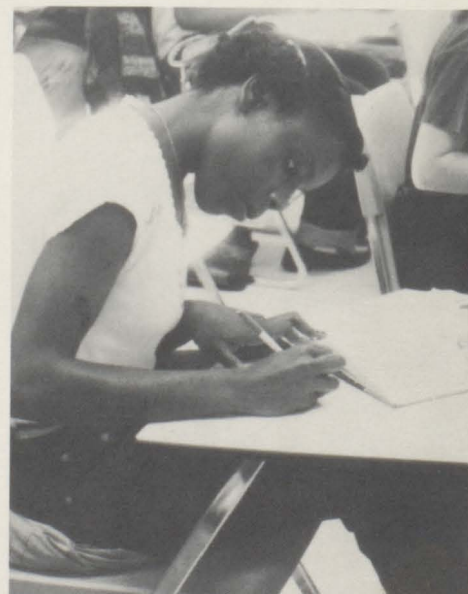

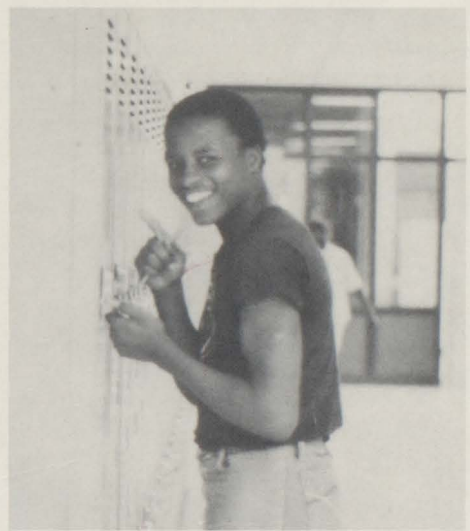

The best part of Southern Living is giving-and we see that pleasure in these pictures of Trojans: in class and on campus.

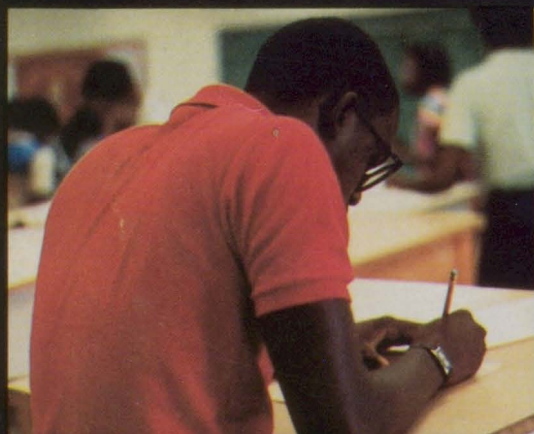

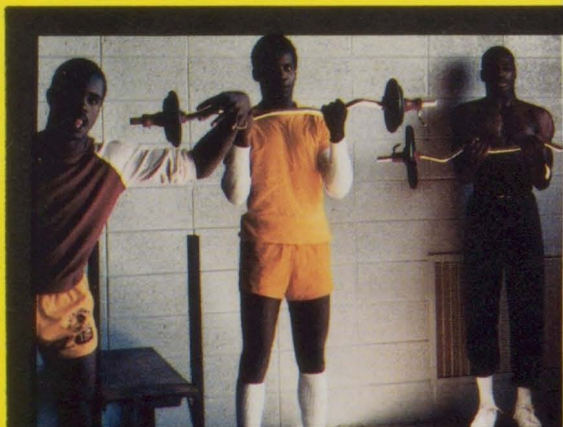

Students at Peach County High School are the youth of today and will be the leaders of tomorrow.

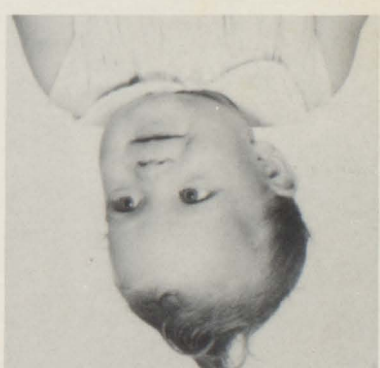

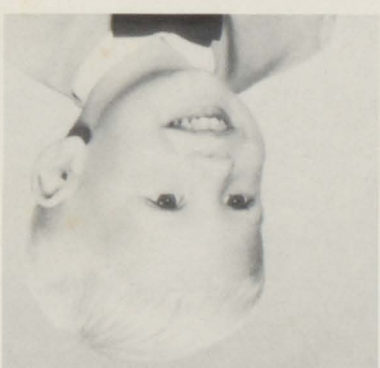

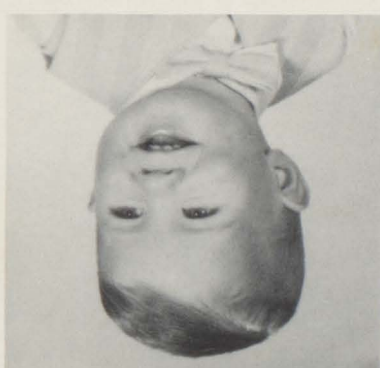

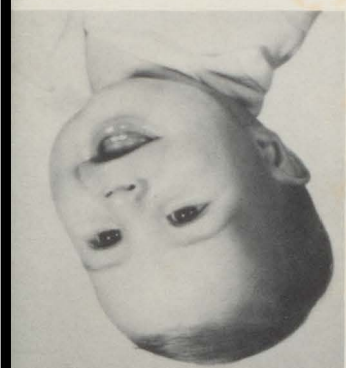

*Activities and fun in the Southern Sun
... and under the Southern stars.*

Senior Scholastic

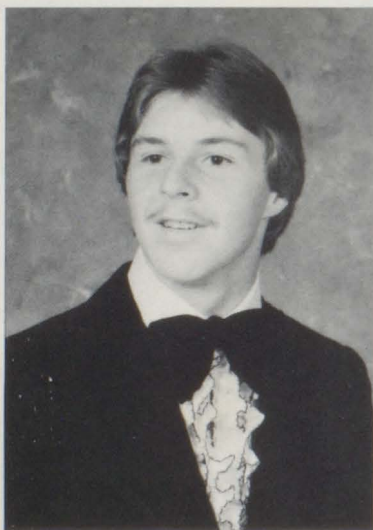

How does it feel to be a Senior? It is a great expense but it's worth it. Seniors are the most spirited class as demonstrated at pep rallies. Yet we know how to get serious and prepare for Miss King's term paper and Miss Bell's classes. Climbing the ladder from the back of the auditorium to the front is a four year process. In August we all run around showing off our beautiful '82 class rings. The expensive ordeals of ordering Sr. pictures, invitations and diplomas are the prices we have to pay to be a Senior. We will never forget the joy and sorrow just when they call our names to walk the line to get those heavenly diplomas. To be a Senior is wonderful and we challenge all underclassmen to have as much fun as we did. A special distinction of the CLASS OF '82 is the fact that we were the first class to graduate totally integrated. This made us more unified and prepared us for the future.

Chosen by their fellow classmates on the basis of popularity, the 1982 SENIOR FAVORITES are an elite group. The contest, which is sponsored by Retrospect, is open to all Seniors at P.C.H.S. Votes are calculated by Senior homeroom teachers.

The background for formal pictures was provided by Mr. and Mrs. James Taylor of Fort Valley, who allowed us to use their home. Informal pictures were taken in downtown Fort Valley.

Wee Wisdom

The Wee Freshman Representatives have fun in the biology lab learning the parts of a frog and the parts of an eye. This year's Wee Freshman class was the largest in a long while. It consisted of over 300 little people. They crowded the halls, the lunchroom, and Rm. 62.

SPORT

Sports are major activities at PCHS. We look forward to football, basketball, baseball, tennis, and track. The hard work our athletes put forth this year resulted in great improvements in our records.

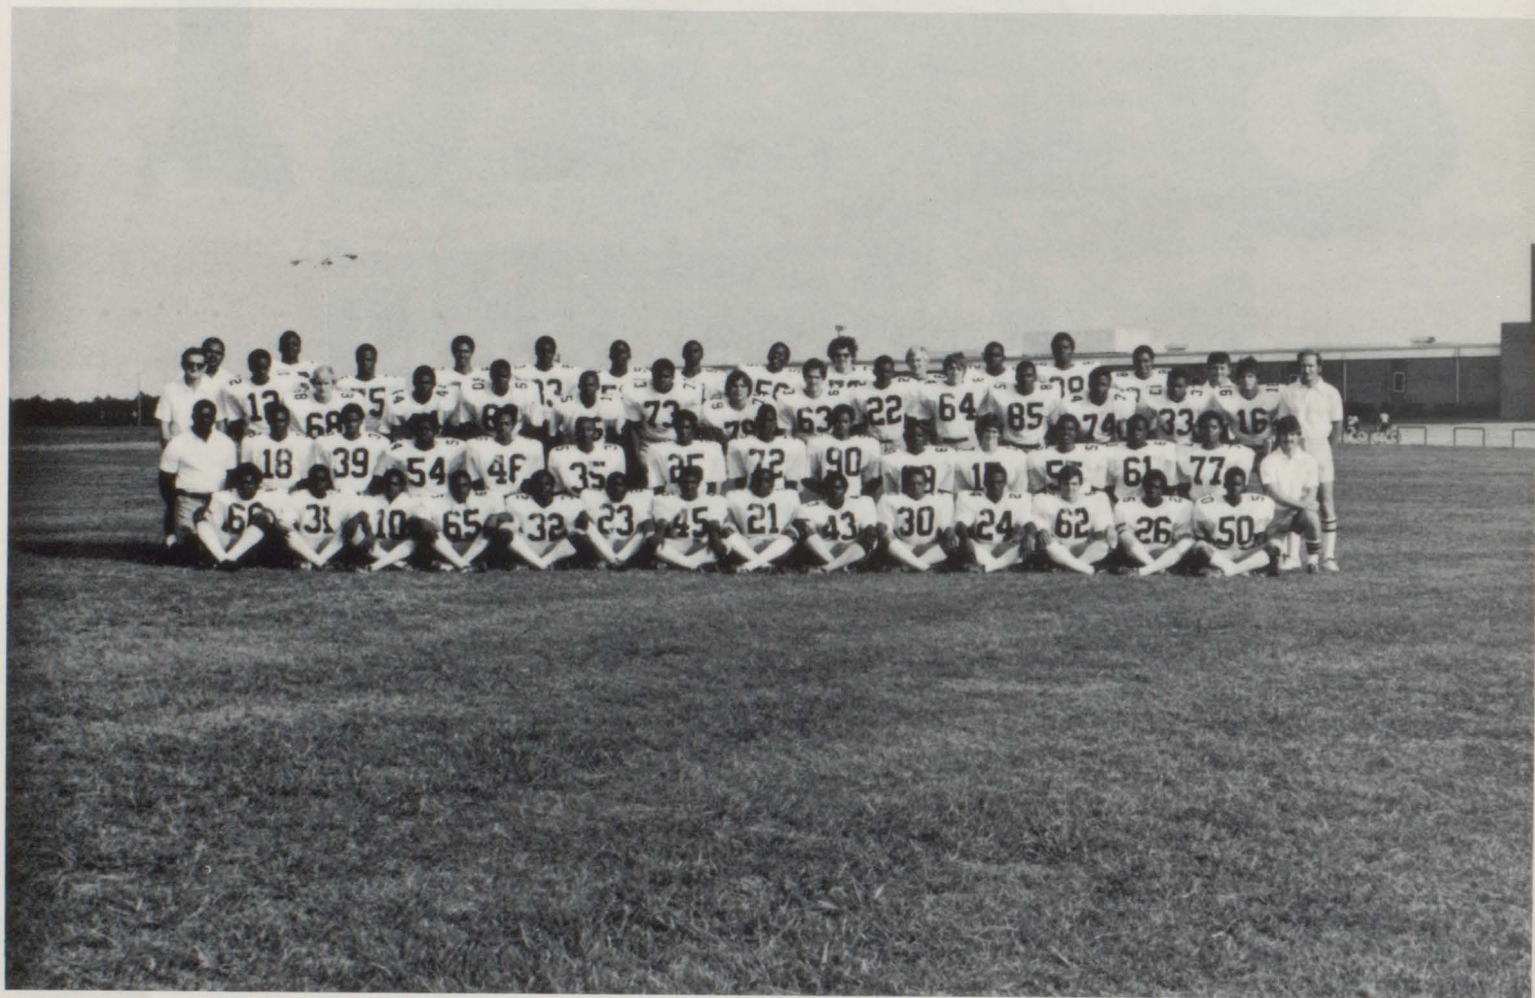

This year also brought an addition to our coaching staff—Mr. Joe Wilson. He and our other fine coaches have instilled a sense of pride and enthusiasm in our athletes.

The cheerleaders have also seen great improvements with their new advisor, Mrs. Sarah Wilson.

I am Jacqueline Smith, a Junior, majoring in psychology and a 1979 graduate of Peach County High School.

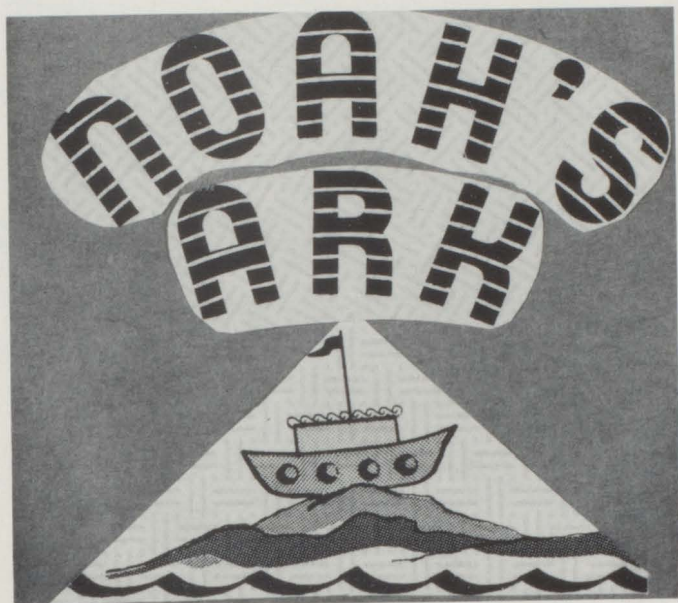

"As a freshman, I remember wondering if ROTC would be a waste of time. I also thought I'd look pretty silly marching around on a field in an Army uniform.

"The fact is — ROTC is a challenge. A real challenge. It's been exciting and I've learned a lot. The best part is, when I graduate I know I've got a job — and it won't be in **management training**. It'll be in **management**."

The 1982 Retrospect staff worked very hard to make this annual a success. This year's staff tried to develop special features and include suggestions from the student body. The greatest concern of the student body has been a black and gold cover, so we have one.

There were many times when an annual at PCH seemed impossible, but with effort and teamwork, the staff came through once again. The backbone of the staff was Miss Josephine King. She provided the fuel when the staff began to drag.

There were many people who had a part in the success of this annual. Special thanks goes to Mr. B. J. McClendon, Mr. Grover Towns, Mr. Bill Baker, Mr. Harry Edge, Mr. Dan Hamilton, Cecil Borum, DJ's of WXXO and WQBZ, Jeff Jeffers, Hollis Towns, Wayne West, Jim Hill and Mrs. James Taylor. Gratitude is also expressed to Ronald Hatcher and Wendell Granville, Retrospect's Artists.

This 1981-82 RETROSPECT staff started off with quite a few problems. One of the main problems was that most members of the staff were completely new to working on a yearbook. But each member of the staff worked intently to learn what had to be done to make a successful annual. The annual staff worked as a united group and shared the problems as well as the good times of being on the staff.

Although having a new staff was our biggest problem we didn't let it defeat our goal of making the best possible RETROSPECT. We worked extremely hard putting together a yearbook which you, the student body, would like, because you are the reason for the annual. We want this annual to be a treasure of high school memories.

I would like to give special thanks to Miss Josephine King for her support and the many hours she helped us with the annual. Also I would like to thank Mr. McClendon for his cooperation in helping the staff in any way possible. But most of all I want to thank the students of PCHS for making the 1982 RETROSPECT—and, most important of all,—for helping us make “reflections” of this unforgettable year.

Kim Scott
